

The Dixie Valve Chatter

Attention! Cruising Season is in Full Bloom. Put the top down and open the cutouts! (Remember what cutouts are?) The BOPC Show was Fun, Fun, Fun, 'til Daddy took the GS away. Weather was perfect. Friday evening BBQ and entertainment were very enjoyable. I counted 141 cars total and 33 Buicks. We must have had 7-8 Buick people that took plaques home. Way to go!

I can't wait for the Blue Ridge Overnighter on May 31st. The train ride should be beautiful. I heard there is a limit on Antique shopping! And I'm told Godzilla is playing at the Drive-in. Ah yes, the Drive-in. That is where some of us learned to Kiss!

Well, my Year One box came in. Time to work on the Wildcat so she is ready for the Overnighter.

Good Cruising,
J D

Grab the keys to your beautiful Buick, start her up and let's head to Jim Ellis Buick GMC. Our June meeting will be at the new Jim Ellis facility located in Buford. See the "Timing Chain" for more info and directions!

Getting your windshield ready for summer showers

Rain-X has been the go-to product for improved windshield vision for decades. It's been tested and it works. In fact, many auto racers remove their wipers altogether and rely on Rain-X to keep their windshields clean throughout a long race. Rain-X has a new way to apply the windshield treatment. It's a stick that looks a lot like deodorant. And it's really easy to put on the windshield! Before you can apply Rain-X, you need to get your windshield ready. This basically amounts to getting it very clean. If you have bugs or tar on the windshield, be sure you get all of it off before you apply your Rain-X. Being sure you have a clean windshield, you can now apply the Rain-X window treatment. The stick is so easy to use there's not much to explain. Just be sure you have the entire windshield covered. Allow the Rain-X to dry to a slight haze. It's important not to jump the gun on this step. The treatment needs to be dry, so give it ample time to dry and haze up. Once it's ready, use the included polishing cloth to polish the entire windshield. And then you're done!

**Monthly Meeting and Mini-Car Show
Jim Ellis Buick GMC - 4228 Buford Drive
(GA 20) Buford, GA 30519**

We will be meeting at the newest Jim Ellis dealership in Buford. They have graciously agreed to let have our meeting in their conference room. Also, they will be grilling hamburgers for us. We have to supply the side dishes and desserts. If your last name starts with A thru M, please bring a side dish. If your last name starts with N thru Z, please bring a dessert. We ask that you arrive between 9AM and 10AM so we can stage our cars for a mini-car show. You can also check out the 2014 Buicks, GMC trucks and SUV's. This should be a fun outing/meeting. Look forward to seeing you there!
