"Hello fellow Dixie Buick members:

We have a great SE Regional Tour in Daytona Beach. Our hotel was right on the beach and every room had an ocean view. Good sleeping with the door open and hearing the surf. Looking at the activities, I keep changing my mind what I liked best. The Daytona speedway was huge! 2.5 mile oval with a road course and drag boat course inside. At the front gate, we could hear cars racing by but could not see them to begin with. What a tease. Finally we got to watch the Porsche Club of America flying by at 150 MPH. Next February I will have a different perspective when the Daytona 500 comes on TV. Next is the food we had. Catfish cooked several ways at Aunt Catfish. Gator Bites and Swamp Cabbage at a local fish camp. Some place in the swamps between Daytona and Orlando. And the chocolate store. Of course they had the regulars like chocolate turtles, but their top seller is chocolate covered potato chips and second is chocolate covered bacon! We visited a car collection with about 200 restored cars from the 50's, 60's and early 70's. Complete with 3 paint booths, upholstery room, and the mechanic's shop. There were many that I did not recognize initially. We visited Harley Davidson dealership that was a whole shopping center They had over 500 cycles there and sell 12-20 a day. We saw \$9K Sportsters up to \$64K Tricycles. I think the best part is the feeling you get when a dozen beautiful Buicks go down the street and the crowds are waving and cars are honking. This leads me to the 2015 SE Regional Tour. Our chapter is hosting. Mark your calendar now for Oct 8-10 2015 in Madison GA. Bruce and Shar are putting together a great 3 day tour. Our chapter alone should have 25 cars in the tour. Hey, if your Buick's radiator is leaking or your alternator idiot light is on, call someone in the chapter and we'll bring our wrenches over to get the Buick purring. I would love nothing better to have more people than Bruce has rooms.  
Good Cruising, JD"

The above picture is part of the car collection which was one of the stops on the SE Regional tour. Sweet setup, isn't it. See more pix on pages three and four!
