Hello Dixie Chapter Folks as well as our many Buick buds outside Georgia

Sure hope you are having an enjoyable summer & are planning to attend any (or all) of the events involving our club over the next (3) months? After a two-month hiatus from chapter meetings, we will reconvene on Aug 11th at the Peachtree Buffet and Grill in Roswell, (next door to the Olive Garden) They have good parking for "showing our Buicks" too. There will be much to discuss, such as the recent BCA National Meet, the upcoming chapter picnic, places to get work done on your car, the Dixie Chapter role in the 2021 BCA National and more.

Following our August meeting, the next event will be the BDE (Buick Driving Enthusiasts) fall tour based in Cartersville, Sept. 8-12. Even though this event doesn't directly involve the Dixie Chapter, several of your fellow chapter members are members of this division of the BCA & are involved in coordinating the event. This is obviously a touring event and any BCA member is allowed to participate in one BDE event without joining. Even if your Buick (of any year) is not ready for "prime time" (drivable) you are still invited to come & enjoy. Arrangements will be made for you to ride in one (or various) Buicks. Registration deadline is Aug. 18th.

The next event after the BDE will be our annual Chapter Picnic, hosted again by Ernie & Susie Grant in Conyers, on Sept. 22nd. Details will be found elsewhere in this "DVC".

The final BIG event involving our chapter/club for the year will be the S.E. Regional Meet, hosted by the Tar Heel Chapter in Atlantic Beach, N.C. Oct. 17 -19. As has been the custom in the past, a caravan of Dixie Chapter Buicks heading to N.C. will be planned. These are just some of the many things that your membership in the BCA & Dixie Chapter has to offer.

Are you getting full benefit from that membership?

Peace, God Bless & "Go (tour in a) Buick"

Bruce ("Ole 3013")

Sonomatic Sounds, an Editorial by Tom Lynde

Hi Folks,

Summer really flew by this year! Now we are looking at some wonderful late summer and fall activities, starting with the August 11th chapter meeting at the Peachtree Buffet and Grill. Although it is a new venue for us, it will not be difficult to find as It is located next door to the Olive Garden in Roswell. There’s plenty of parking so drive your Buick. I am hoping to have my Park Ave sorted out by then so that I can debut it at the meeting, but the chapter picnic on September 22nd may be more realistic. That’s right, the Dixie Chapter picnic at the home of the Grant’s will be here soon, so make plans to attend!

I have received word of Dixie Chapter folks being busy attending local car shows and getting out and enjoying their cars. A few photos are in this issue. If you do attend a local show, regardless of whether you win an award or not, drop me a line and a picture or two for inclusion in the DVC!

And, as we have noted in previous newsletters, the BDE tour and the Southeast regional will be here before we know it. Make plans to attend and enjoy the benefits of your club membership as well as the company of some great folks. There is some information in this newsletter and Cliff Dillingham has provided some in-depth info on the tour venues on the chapter website www.buickclub.org/dixie.

So, there is certainly a lot going on with Dixie Chapter, BCA. Come on out and enjoy. Drive your classic, or late model Buick and join in the fun. See you soon.

Happy Buicking!

Tom

Buick Collectibles

For many of us, the car bug first bit when we were just kids and were given our first Matchbox cars. Even though most of the models were strange little European cars with the steering wheel on the wrong side of the dashboard, they provided us with hours of enjoyable play. Then Mattel Hot Wheels appeared on the scene and before long we were turning wrenches and polishing the fenders on our own 1 to 1 scale dream cars .

A number of us have never really outgrown the allure of autos in miniature as an article in the August Buick Bugle lays testament to. I, for one, am always on the look out for the latest Buick in miniature.

This past month, Matchbox released their latest 1/64th scale model: a 1983 Buick Riviera convertible. Even though it is a little more toy like than other diecast manufacturers like Autoworld, or Greenlight, it is a faithful representative of a desirable open top E body. And it even has opening doors! It will look great on any Buick enthusiasts shelf.
