### **Director's Message:**

**So, Dixie folks, it's now official: the "Peach Blossom BOPC Show" has been postponed until October. The BDE National Tour, The ROA (Riviera Owners Assoc.) National, The G.S. National and the BCA National Meet have all been cancelled for 2020. Even our monthly chapter meetings have taken on a little different format, at least temporarily. But does that mean we can't still have some fun with our Buicks? By no means! During our conference call meeting last month, a couple things were proposed: first of all, for the month of June we discussed having a "Dixie Chapter virtual All Buick Show". With over 100 Buicks in our chapter we should be able to fill several pages of entrants. The show is open to all Buicks: "daily drivers", "works in progress", "restored" and "unrestored." if it's a Buick and it's owned by YOU , a member of the chapter, WE NEED YOUR CAR to appear in the June Virtual All Buick Show. To participate all you need to do is simply send a current picture of your car to editor Tom Lynde. Tom and Jerry Richstein will serve as our show chairmen. Tom will provide the email and "snail mail" address for those who prefer to respond "non-cyberly" in a separate area of this DVC. All entries must be received by May 20th. Geeze, even I can find time in my "heavy social scheduling" these days to pull the car out of the garage & snap a picture. Who knows, maybe I'll even drive it around the block or to the drive-thru at Micky "D's" while I got it out.**

**In July, we are planning a no need to leave the car, car cruise. There will be more details in the June & July DVC, but briefly, we will pick a departure point some weekend in mid-July and "tour" a predesignated route, for approximately 1 hour. The tour will conclude at a "drive-in" restaurant (like Sonic or The Varsity) which has restroom facilities. This activity will enable us to continue "social distancing", if necessary, and at the same time enjoy a little fun with our Buicks. It would be great if we could get together sooner than July but in the meantime we can still get together, possibly via "Zoom" for the May and June conference call meetings. Stay well my Buick friends  
Kindest Regards  
Bruce (ole 3013)**

**P.S. As previously reported, the BCA National Meet has been cancelled for this year. In 2021 there will be two National Meets, Strongsville will be 6/30-7/3. The second meet in Charlotte will be a few weeks later, no specific date has been announced as of yet.**

## Sonomatic Sounds, an Editorial

**Tom Lynde**

Hi Folks,

Car show season is passing by with no organized, traditional-type car shows taking place. The on-going corona virus has prompted car enthusiasts to become creative with the hobby. Facebook groups are rife with virtual car shows and organized “quaran-tours” and old car parades. From small parades of a dozen or so cars cruising through neighborhoods to a couple of hundred vehicles looping I-285, enthusiasts are finding ways to enjoy the hobby with others while staying socially distant. Me, I have been working on my cars and trying out and honing new skills like interior work in my Park Avenue. If not for shelter in place. I would have hired these small jobs out. Instead I am learning new things and taking pride in the results. I was going to say “finished product”, but I think we all know better than to say that. Is anything old car related ever truly finished?

The Dixie Chapter is adapting, too, having held a meeting via conference call and looking to a meeting on Zoom this month. We are also planning a virtual car show for June’s DVC and some cruise events to allow us to get out and enjoy our cars and remain in compliance with social distance orders. Let’s get out and show the world (or at least Metro Atlanta) our Buicks!

As of this writing, major changes are in store for events like the BOPC, the Buick Nationals, and other big shows. Stay tuned for news and future developments!

Stay well and Happy Buicking!

Tom

## 2020 BCA National Meet in Strongsville, Ohio has been canceled

In consultation with the members of the National Meet Committee (NMC), the BCA Board of Directors (BOD) has voted to cancel the 2020 National Meet in Strongsville, Ohio. **There will be no BCA National Meet in 2020 due to the COVID 19 virus** and our concern for our members' safety.

This was a difficult decision to make, but one we feel is in the best interests of the health and well-being of our members. We thank you for your patience while the Board weighed all the facts that went into this decision. We especially wish to offer our heartfelt thanks to the Northeast Ohio Chapter for all their work that went into planning for what would have been a terrific meet this year.

We encourage our members to cancel any [motel / hotel reservations](#) that you have for this meet. We are in the process of refunding any entry fees for the 2020 National Meet. Please allow us some time to make these arrangements and get payment to you. People that paid by credit card will have refunds made to their credit card. Members that paid by check or by online will either have their check returned if not cashed or have a check from the BCA send to them.

The NMC and the BOD are in discussions with the Strongsville and Concord (Charlotte) groups for the future.

# Car Quiz

Can you name the famous Buick whose media debut was held nearly two years after the car was built and tested several thousand miles?

Answer on page 13

Do you know some interesting Buick trivia? Share it with *The Valve Chatter!*

## My Self-Isolation Quarantine Diary

Day 1 – I Can Do This!! Got enough food and wine to last a month!

Day 2 – Opening my 8th bottle of Wine. I fear wine supplies might not last!

Day 3 – Strawberries: Some have 210 seeds, some have 235 seeds. Who Knew??

Day 4 – 8:00pm. Removed my Day Pajamas and put on my Night Pajamas.

Day 5 – Today, I tried to make Hand Sanitizer. It came out as Jello Shots!!

Day 6 – I get to take the Garbage out. I'm So excited, I can't decide what to wear.

Day 7 – Laughing way too much at my own jokes!!

Day 8 – Went to a new restaurant called "The Kitchen". You have to gather all the ingredients and make your own meal. I have No clue how this place is still in business.

Day 9 – I put liquor bottles in every room. Tonight, I'm getting all dressed up and going Bar hopping.

Day 10 – Struck up a conversation with a Spider today. Seems nice. He's a Web Designer.

Day 11 – Isolation is hard. I swear my fridge just said, "What the hell do you want now?"

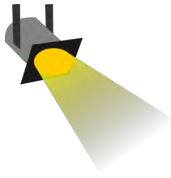

Day 12 – I realized why dogs get so excited about something moving outside, going for walks or car rides. I think I just barked at a squirrel.

Day 13 – If you keep a glass of wine in each hand, you can't accidentally touch your face.

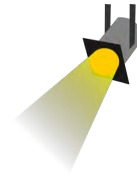

Day 14 – Watched the birds fight over a worm. The Cardinals lead the Blue Jays 3-1.

Day 15 – Anybody else feel like they've cooked dinner about 395 times this month?

## MEMBER NEWS

Lamar and Rita Brown recently purchased this '36 Roadmaster. They took a road trip to Manassas, Virginia to pick it up. They got it home and had a "cat" scan done of it to see what condition it was in (see photo). The results came back "unrestorable", so it will just be parked in front of the Buick Sales and Service Garage on permanent display.

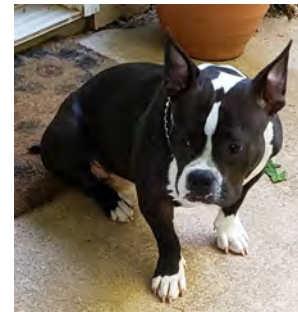

As found in Manassas, VA

The cat scan

In last month's DVC, We shared the good news of the birth of Bob and Luciana Stone's grand daughter Maggie Yancie. This month Bob tells us that the pitter patter of little feet continues with the arrival of new furbaby Bella. Congrats folks!

NOTE: If you know of members winning awards or touring to interesting places, or have an idea for an article of interest to our members, please let **Tom Lynde** know at least two weeks before the end of the month to ensure inclusion in the next ***Dixie Valve Chatter***.

## CAR QUIZ ANSWER

Although it was built in 1938, the Buick Y-Job, considered the first factory concept vehicle made its media debut on April 5, 1940. After several thousand miles of testing and numerous refinements, The Y-Job became Harley Earl's personal vehicle. This is an early picture of Harley and the car. The Y-Job now wears rear fender skirts and different bumpers.
