Hello to all my Buick "buds"

Shar and I sure enjoyed our little "mini tour" on the 19th. It was very nice to see some collector Buicks and familiar faces in person for a change. I am sure our dedicated editor, Tom Lynde, will have more details and some pictures elsewhere in this issue. It has been suggested that we schedule another similar outing in August, at a different location of course. But in light of a reported upswing with ole COVID, I feel we need to "wait and see" how things go over the next couple weeks. If we do put something together, we'll email the specifics and a reminder out a few days prior, like last month.

In the meantime, please mark your calendars or electronic devices as "tentatively" for Aug. 23rd. We'll (probably) meet at the "Handy Ace Hardware" 3969 Lawrenceville Hwy. Tucker at 2:00 pm. So, while you are making notations, don't forget to make sure you've marked Sept 13th for our chapter picnic at Heritage Park in McDonough as well.

It's important to note that while it's great to "get out" and enjoy our beloved hobby again, we do encourage social distancing and wearing face masks in accordance with our State guidelines. Hope to see everyone at our Zoom meeting on August 9th and (maybe) at the August "mini tour".

As always, I encourage your comments and suggestions regarding our chapter activities or anything Buick. You may contact me via email, text or phone. In the meantime, be safe & stay well my friends.

Regards and Go (tour in a) Buick

Bruce (ole 3013)

Hi Folks,

So how is everyone doing? It has been good to hear about Dixie Chapter folks beginning to feel comfortable enough with the current situation to get out and enjoy their cars and attend cruise ins and shows. In this newsletter you will find photos and write-ups from the Dixie Chapter Mini-Tour and the Georgia Cool Cruisers' USO show. It is also good to see that the cruise-ins at Piedmont Church have resumed. Please watch the Timing Chain to keep up with upcoming events. Please let us know if you have any suggestions for an outing.

Be sure note the new information on the Dual Annual Meets in 2021 and remember that there is still plenty of time to register for the Peach Blossom BOPC. In September the chapter will gather for a picnic at Heritage Park in McDonough. You will also find some information on the venue in this month's newsletter. Please RSVP to me or J.D. Westfall by September 6th if you are planning to attend.

Stay well and Happy Buicking!

Tom

They currently have over one million hubcaps & rims in inventory so they may have what you need. Dixie Chapter Mini-Tour

On July 19th , members of the Dixie Chapter dusted off their cars and joined in for our first ever Mini-Tour. Six Buicks and one Lincoln wound their way through country roads on a 30 minute drive around Northeast Cobb County and into Cherokee County. Our small parade drew a number of thumbs up from folks along the way. Fun activities included an engaging round of roadside bingo and a lunch break at Sonic. Make plans to attend the next tour in August!

Johnson Industries has a new name!

The name of the company is now **Parts Authority**. Yes, they do carry a full line of A.C. Delco Parts (including the 6 volt batteries), as well as the usual full inventory like most parts stores. With our **Buick Club (cash) Account #47225** you'll be pleasantly surprised at the discount you receive. Just another perk of being a member of the BCA here in Georgia. Parts Authority now has 11 stores in the Atlanta Metro area and a store in Columbus to serve you. You can deal directly with the store nearest you or if you prefer, you can call the distribution center in Norcross (770) 448-3896 to check on the availability of a part, get a price check and make arrangements to pick up at whichever store you choose.

Cool Cruisers USO Car Show

Each year the Georgia Cool Cruisers for a Cause hosts a USO benefit car show. This year it took place at the Handy Ace Hardware location in Tucker. There were over 80 entry cars including several from our Dixie Chapter. Our members represented were Bruce and Shar Kile, Bill McGowen, and Jack and Pat Horvath. It began as a warm and sunny southern day, and included the possibility of rain. A bit before two PM, the clouds rolled in and it began to sprinkle and thunder, causing the show to close down an hour early. We found that it was quite amazing to see just how quickly 80 show cars could depart from the display area. It is certainly impressive to see the marvelous unique cars which come out for this type of auto show. They are in custom colors, with a stunning variety of interesting engine and body changes.

Thanks to Jack and Pat Horvath for the text and pictures!

Buick Trivia Answer

The late Olivia de Havilland drove this green Buick to a clandestine meeting at MGM to discuss the role of Melanie Hamilton in *Gone with the Wind*, parking it on the street outside of the lot. She was under contract to Warner Brothers at the time.

De Havilland's Buick was one of just 111 66-Cs built in 1935. The starting price for this model listed at \$1,495, which included a 100 hp straight-eight engine, 3-speed manual transmission and rumble seat.

Buick offered three shades of green in 1935, and black and white publicity photos of De Havilland with her car suggest it was the light Runnymede Green.
