Hello Dixie Chapter Folks & Friends

I love it when we can help people out, especially fellow BCA members, even more so when we can help a chapter member and a future chapter member at the same time. Such was the case when we received an email in early Feb from a Bill Cartus, indicating he was looking for a 50's vintage Buick to serve as a "getaway car" for his daughter's wedding in May. In a follow up phone conversation we learned that Bill and his wife Carol were hoping the "wedding car" might then become a permanent member of their automotive family and maybe membership in the BCA . So, while Bill and Carol went in search around a 3-4 state area inspecting and test driving various cars, we checked recent issues of the Buick Bugle, eBay motors, classic auto trader and even checked with a few BCA friends who owned Buicks of the desired era to see if they might have one for sale. Then my old memory had a flash back to a conversation with one of our own chapter members, Bill and Nancy Hansen.

The Hansens had indicated a while back that it was time in their life to "thin the herd" which included their 1952 Roadmaster Riviera Sedan. Well, to lengthen a somewhat short story, a meeting of the prospective buyers and sellers had to be put on hold for a week or so due to personal conflicts and travel plans.

Then the "happy ending" (or maybe it's a beginning?) is that the Cartus's are now the proud owners of the 52 Roadmaster and have joined the BCA and the Dixie Chapter while the Hansens are relieved to have, at least, reduced their herd by one. Oh BTW, the 52 made its debut as a "Cartus car" at the Chapter outing/meeting at the GSRA show March 19th.

Hopefully everyone else will see it at the Chapter meeting April 10th at Ippolito's in Suwanee. I love Buick stories with happy beginnings, don't you?

Peace, God Bless & "Go (tour in a) Buick"

Bruce (Ole 3013)

Sonomatic Sounds

Tom Lynde, Editor

Greetings,

March blew past faster than an early Spring breeze. I had the opportunity to participate in two local car shows on the first two Saturdays of the month. The first show was sponsored by the Henry County Sheriff's Office and basketball legend Shaquille O'Neal. It was billed as a "commUNITY" car show: using the love of cars to bring people together, Sheriff Reginald Scandrett stated that there is just too much division in our society, so why not use our cars as a tool to find common ground. Young and old, Black and White, men and women, law enforcement and citizens: in all a few thousand people of diverse backgrounds came out on a beautiful late Winter's day to view a diverse array of automobiles. There were muscle cars, radical full customs, classics and antiques, late models and imports, high-wheeled "donks", pickups and more. A spectacular display that included four Buicks. Mine, a spectacular 1970 GS Stage One, a 1940 Special street rod and a 2004 LeSabre that the owner had personalized. For a few hours those in attendance shared the love of our cars as an instrument to talk, and listen to each other. And yes, Shaq was there, too,

The next weekend I attended another local show to raise funds for ALS research, Billed as a "rain or shine show", about fifty cars braved freezing temperatures (it was showing at my house when I rolled out the Electra) and strong March winds. Though not as large a crowd, participants enjoyed each others' cars and huddled together by the coffee pot. A great time was had by all there, too.

Several Dixie Chapter folks got out and enjoyed the Georgia Street Rod Association show and had a great time there, too. Awards were won and the Dixie Chapter was represented by great people and cars.

Don't forget to register for the BOPC. The registration form is in this news letter. There is also a flyer from the Georgia Cool Cruisers advertising their annual USO show, this year named in honor of our friend Jack Horvath.

Whether you choose to show and shine, cruise, tour or take a cruise to the local burger or ice cream joint with the family or significant other by your side, enjoy those beautiful Buicks!

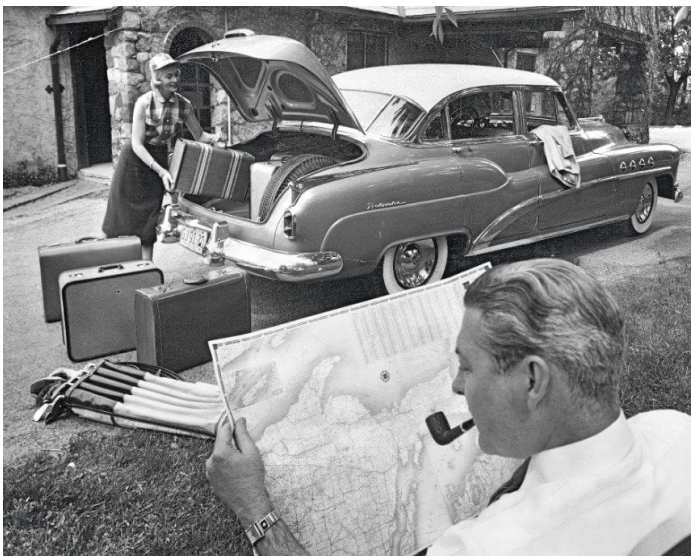

Tom

GEORGIA STREET ROD ASSOCIATION CAR SHOW MARCH 19, 2022

“Hello Dixie Chapter members:

The GA Street Rod Assoc. (GSRA) held a car show at the Cobb County Fairgrounds on Saturday, March 19th. The Dixie Chapter had 4 beautiful Buicks in attendance of 115 cars, mostly hot rods. Bill Cartus had his 52 Roadmaster (recently purchased from the Hanson’s). Howard and Sylvia Baker had their 91 Red Reata. Charles Hunter had beautiful Red 60 Electra convertible. And I had my Wild-cat. There were no classes and the top 14 pointed cars got a plaque. Congratulations to Charles Hunter in getting a plaque for his 60 Electra! He beat out all those cream puff hot rods!

See you next month at the Dixie meeting at Ippolito’s in Suwannee.

Breaking News!

Car and Driver magazine is reporting that Buick has filed for a new trade mark patent with a redesigned Tri Shield logo!

According to C&D, "Based on an image of the new-look logo that was submitted with the filing, the three shields are now aligned horizontally instead of diagonally. The diagonal stripe inside each shield has also been swapped for a downward-swooping line, and the ring that previously surrounded the trio of shields. The current Buick logo features one red, one silver, and one blue shield. However, we don't know whether or not the new logo will see the return of that color combination or if it'll be monochromatic. What also remains to be seen is what Buick model the new logo will be introduced on. The trademark application still needs to be assigned to an examiner, which is said to take about six months after the filing date. Depending on the length of the process, maybe we could see the new logo start appearing on 2023 model vehicles, or the company could be waiting to unveil it on a potential future model like the all-electric Electra. The timing could be coincidental, but GM at the end of last year filed to trademark the "Buick Electra" nameplate.
