Hello Fine Folks of the Dixie Chapter

I'll (try to) keep it on the short side this month. First of all, just a "last minute" reminder of the "Peach Blossom B.O.P.C." show. This is not "just another car show". This is an annual event that we (The Dixie Chapter) started 42 years ago to provide a "gathering place" exclusively for Buicks, Oldsmobiles, Pontiacs and (later added) Cadillacs

The hosting of the show is now alternated among the four marquee clubs and each club "does their own thing" with regard to classes, judging procedure, show field layout, t-shirt design, etc. etc. Each club usually supplies their own work force for show day and handles their own finances as they see fit. This means that each (of the 4 clubs) gets to "relax" and enjoy the show for 3 years before it's their turn again.

The one constant however is that we (as club members) support each other by registering and attending this event regardless of which club is hosting. So even if you missed the April 30th cutoff for the \$25 registration, please try to bring your car and register on show day anyway.

Next year it's our turn to host and we will need every ember's involvement, so you might want to come and see what's going on this year. I'm sure we can expect to see 100-200 B's, O's, P's & C's (for Cadillac not Chevy). I Sure hope to see you and yours there on May 7th.

One final thing, please mark the date "June 18th", we have been asked to display some cars at an assisted living facility in Alpharetta. As most of you know, this is one of my favorite activities involving "old cars"; brightening the day of the elderly or disabled. Please let me know (phone or email) if we can count on you, (770) 977-7924, sbkile58@aol.com

Peace, God Bless & "Go (tour in a) Buick"

Bruce (ole 3013)

Tom Lynde, Editor

Greetings,

I hope this finds all well. I wish I could say that I had been enjoying all of the early spring weather with lots of cruising and outings in the Buicks, but work and life have been dictating and for the most part the Buicks have remained snug in their beds, dreaming of the BOPC and cruises to Bruster's for Ice cream. We have gotten out for a couple of cruise-in at Summit, and that is about it. I enjoy those informal cruise ins, and usually there is another Buick or two in the crown. I found that to be a great opportunity to talk with the owners about the BCA and the Dixie Chapter. If the owner is not near the car I usually leave a business card with a short message on the back to email me about info on the Buick Club. I have found it to be a good way to meet people with a common interest and maybe find a potential new member along the way,

Speaking of cruise ins and shows, I cannot believe it is BOPC time again. If you have not registered already, come on out and register day of show. Don't worry if you feel the car is not prepped for show. Just bring some spray detailer and prep the car on site, It is always a great time.

And don't forget about the Georgia Gool Cruisers USO benefit show later this month in memory of Jack Horvath, There is information on that show in this newsletter.

And finally, I feel I would be remiss if I did not wish all the moms out there a Happy Mother's Day!

See you all soon!

Happy Buicking,

Tom

Dixie Chapter in Charlotte

Dixie Chapter members Glenn and Debbie Novak along with Jerry Richstein and Dave Berquist braved some chilly weather and attended the annual Southeast National AACA show in Charlotte, North Carolina on April 9, 2022. Jerry and Dave served as judges for the event. Both the BCA and Reatta division were present at the Charlotte Speedway, in side of the track facilities while the judged car show took place outside of the track. Many thanks to Glenn and Debbie, who provided us with these great pictures.

Buick's 1970 Opel GT

You've been waiting for the spectacular, right?
 A 1.1 liter engine is standard and a 1.9 liter option is available.
 Four on the floor is standard, of course. A fully automatic 3-speed transmission is also available.
 Add these standard features. Transistorized radio and antenna. Tach. Ammeter. 0.1 mile odometer. Electric clock. Sculptured bucket seats. Concealed headlamps that flip out with a slight push of a lever. Radial ply tires. Even twin chrome-plated tailpipe extensions.
 If that doesn't light your fire, maybe Buick's 1970 GS 455 will.

Buick's 1970 GS 455 with Stage I Option Package

How big do you like your engines? 455 cu. in. perhaps?
 455 cu. in. it is. With a high-lift cam. With a four-barrel carb that breathes through real air scoops. With a low backpressure dual exhaust system. High speed valve train. Positive traction axle.
 You can count on 360 horsepower. 510 pounds/feet of torque.
 Count on performance to go with the looks. GS 455 has both.
 And every Buick-Opel dealer has both the GS 455 and Buick's Opel GT.
 Start off 1970 right. Let Buick light your fire.
