"Hello Dixie Chapter Members:

It is so sad to hear about the passing of John-Paul Glenkey and John Sincere. Please remember their loved ones in your prayers.

And prayers for Glenn Novak. He had a setback in the hospital, but is improving daily.

August meeting is a Zoom meeting at 1:30 pm August 13th. Jerry has sent out an email with the Zoom link. I hope our further out members can attend.

October 25-29 is the Southeast Regional Tour in Milledgeville GA. We only have 6 GA registrations. This is a great opportunity for Dixie Chapter Members to enjoy a tour in your back yard. Registration form is in this newsletter.

Tom Lynde is working on a Sept Dixie picnic. Details to come.

The Kiles and Blizzards are hosting a BDE Tour in Cookeville TN in late September. Another great opportunity to tour in eastern NC.

Oh boy, I decided to put new shocks on the Boat Tail. It took my son, Jack, and I eight hours to do this. We had to use a Dremel to cut off old bolts. The end result... the Boat Tail is sailing down the road as a Buick should!

Happy cruising in your Buicks,

J D

Salutations!

I hope y'all are staying well , and importantly, staying cool during this heat wave, Our family car has been in the body shop this past week having damage repaired from being struck by a vulture, A colorful story for another time. Anyway, the Electra was pressed into daily driver status for a spell and I am grateful for iced-cold Buick a/c and a reliable cooling system. But, Tammy's car is back now and all is back to normal. I just need to get off the daily driver dust that accumulated on the Buick.

My sympathies and prayers to the families and loved ones of John-Paul Glenkey and John Sincere, John-Paul and I shared an affection for 1/43 scale collectible model cars. He would on occasion bring one as a gift for the after the holidays gift exchange. I will confess that I recognized the shape of the package and would choose it, if available. I will always remember how pleased he was when his LeSabre took a second place award at the BOPC one year.

I know many knew John Sincere better than I , but I enjoyed getting to know him and his daughter Elise since they became active in the chapter again last year. I sat near them a few times during our luncheon meetings at the Olive Garden where I enjoyed hearing his stories and remembrances of the early days of the Dixie Chapter and the BOPC. He kept all on our end of the table quite entertained, John and John-Paul will both be missed.

Please enjoy the Buick Nationals coverage. Thank you to the Kiles for such a great report and the photos. *It* is a pity that it was so far away that more could not attend. 2024 will be in Strongsville, Ohio. A make-up for a meet missed because of the Pandemic and maybe a little more do-able for more of our folks to attend.

It looks like changes are coming to The Lyndes. Tammy is beginning her final year as a high school geometry teacher. 38 years at the podium. I am very proud of her. I am counting off "lasts" at the radio station, as I too am heading into my final months before retirement. And we accepted an offer on our property and if all goes as planned will be moving in the new year. New horizons for us. So exciting!

See y'all on the Zoom meeting! Take care and be careful in this heat wave!

Happy Buicking!

Tom

2023 Buick Club of America 50th National Meet

Photos and text by Bruce and Shar Kile

Although the 50th BCA National Meet ended up with a total of only 247 Registrations (482 people), 160 cars, and 12 vendors the atmosphere was still “all Buick” everywhere. Like most “family reunions”, seeing old friends and meeting new ones, a great time was had by all. For us Kile’s the “big trip” began on Wednesday, July 5th. With Shar’s 2014 Regal packed tightly with boxes of small parts for the (inside) swap meet and sales items. There was barely enough room for some incidental things like a change of clothes (or 2), food snacks, bottled water, and a bag of road maps (because you can’t always trust the GPS).

Never the less, our “one Buick caravan” headed northwest to attend our 48th consecutive BCA National Meet. After overnight stops in Sikeston, MO, Mound City, MO, Cheyenne, WY. & Pinedale, WY. We made our first (ever) visit to the Grand Tetons and Yellowstone National Park so crossed another item off our “bucket list”.

After one more overnight stop (Three Forks, MT) we traveled through some of the most beautiful scenery in the country, Western Montana and Idaho before arriving in Spokane Valley at the host hotel, the Marribeau Park Hotel and Convention Center. Certainly, the facility could have accommodated a much larger show, but the host chapter was pleasantly surprised that the turn out was “more than they expected” 30 days prior.

A big thank you & congratulations to the Inland N.W. Chapter for hosting another fun filled BCA National Meet.

seminars in engine rebuilding, (specializing in straight 8's) & paint/body restoration. It also was the debut of this (old) guy as a meet co-chairman. The 1989 meet in Batavia was the inaugural ("first") for the 400 point judging system & the first time the swap meet circled the show field, a most convenient concept.

There is no question about it, we could "make a case" for any one of the 48 BCA National Meets we have attended as being our favorite or the best, including the (2) we hosted in Atlanta, 1984 & 1994, but the meets in Buicktown (Flint) will always hold a special place in our hearts. There was always something extra special about going "back home", especially for those "anniversary celebrations", 1978, 1988, 2003, & 2008, which gave credence to the fact that an occasional National Meet without judging can be popular & a huge success.

While the uniqueness of each meet might be different for each attendee, for us it's really about the people, our Buick family, that we enjoy the most. Our Buicks might be what draws us together but it's our worldwide (Buick) family that keeps us coming back year after year, and WOW, after 50 years in the BCA & 48 National meets, we do indeed have a big family. We were honored to have been the recipients of the "Spirit of Buick" award (sponsored by Nicola Bulgari) at the National Meet in Lisle last year. It proved (to us) that the "Buick spirit" isn't totally in those beautiful machines we call Buicks. The spirit is within each of us. That's our motivation for involvement in 48 BCA National Meets.

God's Blessings & "Go (tour in a) Buick"

“Then & Now”

(Looking Back on 50 years of BCA Nationals)

Perhaps we should have titled this article, “Looking back on 48 years of BCA Nationals, because that’s how many we will have attended since joining the club in March 1973, assuming we make it here to Spokane. If you’ve been following the (well written) series of articles covering the history of BCA National meets in the Bugle, written by Brian DePouli, you have an idea of what it was like “back then”. If you have not read these articles, we would most definitely encourage you to “catch up”, beginning with the March 2023 issue and continuing through the most recent (July) issue.

For us personally, even though we missed 1971 & 72 because we weren’t BCA members yet, we have enjoyed the “memory recalls” over these past 5 month’s issues that have been skillfully condensed into individual paragraphs covering each year & augmented by some carefully selected photographs. Sometimes just the mere mention of a particular meet location brings a smile or even laughter, especially when we gather with fellow BCAers at these (Buick) “family reunions”.

Yes, we can still remember highlights from each of those meets. Each & every National Meet seems to have a special uniqueness, sometimes because of the (geographical) location, such as the 1985 meet in L.A. (Universal City) with it’s “movie industry influence” or the 1986 meet on the grounds of the “Indy motor speedway” & being able to drive our Buicks on the track, 1987 in Orlando, Fla. & the “parade of ducks” waddling on the red carpet into the hotel lobby at the same exact time each day. In 2009, we were in awe (each day) of the beautiful mountains of Colorado & our first ever “trip” up Pikes Peak. Sometimes the “uniqueness” of a National Meet comes from “firsts”, as was the case in 1977, when (for the first time) the meet was held outside of “Buicktown” (Flint) & the first time the event was totally contained on the grounds of a hotel (in Strongsville, Ohio). 1984 was special to us personally because it was the first BCA Meet to be held south of the Mason-Dixon line (Atlanta) & the first (& only) time the cars were judged in two categories, trail-ered & driven.

Note: With the advent of the 400-point system (in 1989) the need for separate categories was no longer needed. That 1984 meet was also the “first” for offering

Remembering John Sincere, BCA #8516

Bruce Kile

I believe John became a member of the chapter in our 2nd year & remained very active until about 10 years ago when some personal (family) issues kept him from being involved for a few years. John reactivated his membership last year & has since attended many meetings, activities & the last couple Peach Blossom BOPC shows with his daughter, Elise, being his chauffeur, driving John's "pride & joy", his red 75 LeSabre converti-ble. During the 80's & 90's John served in (nearly) every elected office of the chapter, including our chapter director & newsletter editor + appointed offices, membership chairman & historian. He had attended at least 10 BCA National Meets, the most recent being 2018 in Colorado. John was a dedicated Buick driver, even his "daily drivers" were Buicks as long as I can remember. Rest in peace "ole 8516". Your dedication & contributions to the Dixie Chapter, Buick Club of America will be missed.

My 90 Riviera is in the body shop to be repaired from hitting a deer. Had to wait its turn, but body shop is ready to start in on it. The attachment shows what I need. Have already come up with grille. Need the other three items. Hoopers Used Auto Parts in Dallas, NC has the whole bumper for a reasonable price which will give me the rest of what I need. They won't ship, or accept a customer pick up by common carrier. Has to be picked up in person by someone. At the present time, I can't go there in person due to my wife's health. My question to you is do you know of someone who might have these items and who will ship by UPS or whomever? Sure would appreciate any help you can give me.
