Hello Dixie BCA members:

It is time for your Buick "Spring Cleaning"! Whether it is just cleaning and polishing, or doing some repair work, it is time to dive in. For me, I was having carburetor trouble last Fall in the Boat Tail. So I pulled the Quadrajet off and had it rebuilt by my local mechanic who works on older cars. Meanwhile, I noticed the intake manifold was really cruddy, so I decided to paint it. I noticed the water pump which was 15 years old was faded darker red, so time to replace it. Yeah!!! So far I have twisted two of those smaller bolts off. Currently soaking them with PB Blaster and getting ready to use my propane torch on them. Wish me luck.

To other news, in this newsletter is the registration form for the 2025 Peach Blossom BOPC Show on April 26 at the Piedmont Church in Marietta. You should have gotten an email on this a couple days ago. Let's show those Olds, Pontiac and Cadillac boys who has the most beautiful cars in North Georgia!

Did everyone go into the Buickclub.org website and update your contact and car information? The national BCA office is preparing to update a new physical directory and if I were to guess, this may be the last physical directory we will see, so let's make sure our information is correct.

And the Annual Buick Bowl-a-rama is coming up on March 9th. Bruce Kile is taking reservations for bowlers and rooting fans. Let him know.

See you at the Bowl-a-rama,

J D

Remember! Daylight Saving Time begins Sunday, March 9th. Set your clocks ahead one hour before you go to bed Saturday, March 8th. You want to be on time for the Bowl-a-rama!

Tom Lynde, DVC Editor

Greetings all!

I hope that you have been enjoying this flirtation with early Spring type weather! I know there are folks out there who have been taking advantage of it and have started prepping their cars for touring and show season. By the time you read this, I will have attended my first show of the season on March 1st. The forecast is calling for sunny and low seventies. Two years ago when I attended this same show in Forsyth, Georgia I drove there in the snow. Go figure. Hopefully things remain nice outside to encourage a good turn out with plenty of Buicks at the Bowl-a-rama on March 9th. Please plan to attend.

The long anticipated registration form for the BOPC has dropped and was subsequently emailed to all DC members. It is also included in this newsletter. Let's encourage Dixie Olds by getting those forms back to them asap. They have streamlined the classes this year and are including one show t-shirt with a paid registration. My form has been sent on its way, and I know of at least one other that is winging its way to the Olds club right now. I also know that Southeast GTO has thrown down the gauntlet and stated on Facebook that they hope to have a minimum of seventy-five cars this year. There is always a strong showing of Buicks belonging to members and non-members at this event. Let's fill the show field with beautiful Buicks of all types.

And do not forget to register for Nationals. It will be here before you know it! As for me, as I close this out I am heading for the garage to give the Electra and PA some love. I do love detailing and the weather right now is just about perfect for that activity. See you at the lanes on the 9th!

Happy Buicking,

Tom Lynde

Buick Trivia Answer

In 1962 and 1963 a turbocharged version of the Buick 215 was rated at 215 HP @ 4600 rpm and 300 ft-lbs at 3200 rpm, reaching that magic one horsepower to one cubic inch ratio. The turbocharger was offered only in the Oldsmobile Jetfire model, and only 9,607 were sold in two model years, and some of this production was converted by dealers to the conventional four-barrel carbureted form.
